AFRIKA-DAG

Kom vier Afrika as 'n opkomende globale speler

Gasspreker: Professor Wiseman Nkuhlu

Paneelbespreking, tentoonstelling van plaaslike entrepreneurs se produkte, netwerking, lewendige musiek

Afrika het geskuif van 'n vergete vasteland na 'n opkomende wêreldspeler wat entrepreneuriese energie en kulturele diversiteit na die tafel toe bring. Dit het tyd geword om hieraan erkenning te gee. Daarom nou die Universiteit van Stellenbosch Bestuurskool (USB) jou graag uit na ons *Afrika-dag: Kom vier dié vasteland as 'n opkomende globale speler*.

Die hoogtepunt van die vieringe is professor Wiseman Nkuhlu se aanbieding oor Afrika se bydrae tot die wêreld. Die paneelbespreking oor die uitdagings van sakeontwikkeling in Afrika word deur professor Wolfgang Thomas gelei. Ons vier ook Afrika met 'n uitstalling van plaaslike entrepreneurs se produkte en lewendige musiek, en genoeg tyd vir netwerking by hierdie middagfunksie.
