Contact number:	+27 (0)21 918 4406
E-mail address	Tasneem.Motala@usb.ac.za
Organisational role:	Senior Lecturer
Area(s) of expertise:	Operations Management

Executive Profile

Tasneem Motala is a Senior Lecturer in Operations Management at the University of Stellenbosch Business School. Shortly after completing her MBA in 2015, she was head-hunted by the USB to teach on the then newly-established PGDip in Business Management & Administration in 2016.

Ms Motala worked as a process and control engineer with Chevron before becoming an academic. She brings a wealth of professional and practical experience to her teaching role. She further worked as an engineer at ImproChem and Shell & BP SA earlier in her professional career.

She holds an MBA from the USB and a BA in Chemical Engineering from the University of Kwazulu-Natal. She teaches Operational Excellence on the MBA and Principles of Operations on the PGDip in Business Management & Administration.
