

CALL FOR RESEARCH PAPERS

Corporate Governance Conference 2022

12 and 13 December 2022 | Cape Town, South Africa | In person & virtual

The Corporate Governance Conference 2022 is jointly hosted by the *Centre for Corporate Governance in Africa* at the Stellenbosch Business School and the *School of Accountancy* at Stellenbosch University. The conference will take place from 12 to 13 December 2022 in beautiful Cape Town, South Africa. The conference is in-person, with a virtual option in exceptional cases. We encourage delegates to attend in person, to allow for enhanced engagement and collaboration.

The conference provides an excellent opportunity for researchers, academics, practitioners and post-graduate students to present their research, share their experience and discuss new and challenging issues in corporate governance.

We invite submissions of full-length papers, as well as work-in-progress papers, on the following themes (but not limited to):

- Corporate citizenship and ethical leadership.
- Board of directors and corporate governance committees (including risk, audit, remuneration and IT governance).
- Integrated reporting, stakeholder engagement, sustainability and integrated thinking.
- New developments within the corporate governance landscape.
